RE: NEW REQUIRED EMPLOYEE POSTERS

Your new Federal and State Employment poster that is required to be posted where employees may see it easily is now available. We have combined all the required posters into one for your convenience. Don't pay the big prices you keep getting advertisements in the mail for.

The poster has been updated with all the current laws and regulations. The changes from the old poster include new minimum wage requirements and minor updates.

If you need additional posters, they are available at \$2.50 a piece plus shipping. Just mail or fax this form to the Association office at (651) 484-9189. You may also e-mail your order to hwerner@mpmaonline.com.

Sincerely,

A handwritten signature in cursive script that reads 'Holly J. Werner'.

Holly J. Werner
Associate Director
