

#1 Diesel Exemption

The 5% minimum content requirement for all diesel fuel offered for sale at retail does not apply to #1 diesel fuel sold or offered for sale during the months of October, November, December, January, February, and March. The exemption was extended until May 1, 2020 which will allow the exemption through the winter of 2019. Other #2 biodiesel exemptions are motors located at an electric generating plant regulated by the Nuclear Regulatory Commission, railroad locomotives, off-road taconite and copper mining equipment & machinery, and off-road logging equipment & machinery. Heating fuel is always exempt.
