

To All MPM Members:

The second annual Minnesota Petroleum Marketers Pheasant Hunt is scheduled at High Noon Tuesday, September 25, 2012 at LeBlanc's Rice Creek Hunt Club. LeBlanc's Rice Creek is located about five miles east of Little Falls.

Cost is \$125.00 per person. This includes four rooster pheasants, guide & dog, springing teal clay bird competition, door prizes and a great pheasant & duck dinner.

The cost has to be split into two checks, \$100 personal for the MPMA PAC and \$25 personal or company for dinner made out to MPMA. We realize this is a pain in the butt however if there is a contribution of more than \$100 to a PAC all relevant personal information must be reported to the Campaign Finance & Disclosure Board.

LeBlanc's is steel shot only and everyone must wear some kind of glasses and orange hat & vest or shirt.

Please call, fax, or email the Association office to reserve your group of five hunters. If you want to hunt but don't have five, we will place you in a group to make five or add someone to your group of less than five. Space is limited to the first 65 that sign up.

Name of hunter	Company	Address City State Zip	Email
